Drug Screen

Sixteen panel drug screen – Obtain form via email: nursing.alliedhealth@wnc.edu	
---	--

1. MMR not required if born before January 1957. Titers are also accepted.
2. A two-step TB skin test is one test in each arm approximately 10 days apart; readings must be done 48-72 hours after the test in both cases. You may also submit two consecutive years of negative readings no more than 52 weeks apart. PPD-TB skin tests must cover the duration of the course. TB must be updated annually or two-step will again be required.
3. Titers (blood draw) are also accepted for MMR, Hep B, Varicella, TB. If titer results in non-immune, a booster vaccine must be submitted after the titer date.
4. Short-term major-medical insurance must cover the duration of the course.
5. **Students must submit immunization, health insurance, etc. documents for approval no later than 2 weeks prior to the semester. Students must email nursing.alliedhealth@wnc.edu once they are compliant for permission to enroll in the class, please include your student ID number in the email. Any student becoming non-compliant with these requirements during the semester will not be permitted to participate in Labs or Clinicals.**

*Sixteen-Panel Drug Screens offered at a discount to Western Nevada College students by New Frontier facility. Form may be obtained from the Nursing & Allied Health office.

INCOMPLETE PACKETS WILL NOT BE PROCESSED
