# BACHELOR OF APPLIED SCIENCE
# CONSTRUCTION MANAGEMENT
## APPLICATION FOR ADMISSION

To be accepted into the Bachelor of Applied Science Construction Management program, a student must:

1.  Complete a minimum of 30 college semester units or equivalent with a minimum 2.0 grade point average.
    Within the 30 units:
    *   At least 12 units must be in degree applicable construction courses. This requirement may be waived if the student has construction experience, subject to approval of the construction management faculty.
    *   At least 12 units must be in degree applicable general education courses, including English 101 with a grade of C or better; a grade of C- or lower will not be acceptable.
    OR:  Hold an associate degree in Construction Management or equivalent from a regionally accredited institution.
    OR:  Hold an associate degree in Apprenticeship from an NSHE institution.
2.  Meet with a WNC Counselor.
3.  Submit this application to Admissions and Records.

Students will be informed of their admission status by email. The processing time is approximately 4-6 weeks upon receipt of this application and transcripts or training materials to be evaluated. Students who do not have transfer credits or who have already had a transfer credit evaluation completed for this degree should receive notification of their admissions status within 2-3 weeks.

Once approved, students may register for upper division classes for this program. Students accepted into this program will have their major/emphasis changed to the Bachelor of Applied Science in Construction Management under the catalog year for program admission.
