

BACHELOR OF APPLIED SCIENCE

ORGANIZATION & PROJECT MANAGEMENT

Organization & Project Management (BAS)

Organization leadership applies to a variety of organization types including for- and not-for-profit, small business to corporations, etc. This degree will provide students with the leadership scope and working knowledge of project management development and implementation to fill the U.S. and Northern Nevada gap while contributing to the economic development of the region.

This is an online degree, enabling individuals to advance their education while working in their field of interest.

Program Entrance Requirements

An Associate Degree from a regionally accredited institution with an overall GPA of 2.0.

General Education requirements are met with the completion of an accepted associate degree except for the following NSHE general education requirements, which must be completed (prior to completion of BAS) if not met with the associate degree used for the program entrance requirement.

- Students transferring from another state are required to take classes to fulfill U.S. and Nevada Constitution requirements.
- English 102 (3 credits)
- Math (3 credits)
- Natural Science (6 credits)
- Social Sciences or Humanities/Fine Arts (9 credits)

To apply for these programs, please fill out the appropriate application on the [Admission and Records Forms page](#).

See Bachelor of Applied Science Degree for a list of courses to fulfill these requirements.
