Agenda Item 2: Opening Remarks and College Updates - (Kyle Dalpe)

Action Taken: None

Summary of Discussion: Legislature has been quiet with the deadlines this week. Today is the last day for bills to be submitted and approved. They currently have 49 bills to get out today. WNC is currently waiting on their next year budget. Next Legislative session is 2027. Board of Regents voted on a new, permanent Chancellor yesterday. This is the 5th Chancellor in 3 years for Kyle to work for. The new Chancellor should take office in June. The Auto Collision repair program has been a curriculum that has been just holding on and currently being evaluated. We haven't awarded any degrees, just credits. No full-time staff and debating if this program is needed anymore. Currently requesting that WNC be closed to the public on Commencement Day, May 19th so staff are able to volunteer and be relieved of stress at work. Thank you to everyone who participated, donated time and efforts during the preparation for the 7-year Accreditation visit last week. Felt it was a good outcome and a great report.

Would email everyone around 2pm if there were any conflicts, but didn't feel there would be any and to move forward with the approved fees.
