Agenda Topic	Proposal for Prerequisite Change to Crj 164 & Crj 222
Action Taken	Terry motions to approve the prerequisite changes, Amy seconds Motion approved
Summary of Discussion	The proposal is to change the listed prerequisite for Crj 154 and Crj 222 from Crj 101 to Crj 104. Per Eric York: In 2020, it was decided that the content for the CRJ 101-102 sequence was a bit "light" for a 2-semester sequence. At that time, CRJ 104 was created and approved. CRJ 104 provides the introductory material which students need to continue to more advanced CRJ courses. A single course also provides the added benefit of decreasing the number of credits of introductory courses a student needs before advancing within their chosen field of study. At the time CRJ 104 was created and approved, all CRJ degrees and programs were updated to remove reference to CRJ 101 and 102, and to include CRJ 104. Gregory Sly states that CRJ 104 is designed to ensure coverage of prerequisite material for more advanced Criminal Justice courses. CRJ 101 and 102 have not been taught since 2020, and are being deactivated.

Agenda Topic	Proposal to Remove Prerequisite from Crj 234
Action Taken	Terry motions to approve the prerequisite removal, Amy seconds Motion approved
Summary of Discussion	The proposal is to remove Crj 101 and Crj 102 as a prerequisite to Crj 234 with some of the same reasoning as above.

Agenda Topic	Proposal to Deactivate Crj 101 and Crj 102
Action Taken	Terry motions to approve the deactivation of Crj 101 and Crj 102, Amy seconds Motion approved

Summary of Discussion	Per Eric York: In 2020, CRJ 104 was created to replace the CRJ 101-102 sequence. The associated programs were all updated at that time. CRJ 101 and 102 have not been taught since 2020. CRJ 104 has been offered in their stead since then.
