

Commercial Driver Training Program

Student Program Guide

Please allow 2 business days for application processing. (In other words, the absolute latest you can get an application in and still be accepted to the program is by Wednesday at 5:00 PM the week before the class starts.)

Need help? If you need help with this application or any scholarships/grants, our Academic Coaches are here for you! (Remember, having and checking an e-mail is important for our program. Coaches can help with this.) To get help:

- Go to the WNC Library on our Carson City or Fallon campuses. Check library.wnc.edu/home and click on “Academic Coaching” to see when coaches are available.

If you need a computer or internet, you can use one at our library during open hours.

Disability Support Services For disability support, contact our Disability Support Services office at (775) 445-4459 or susan.trist@wnc.edu. Fill out an Application for Services at wnc.edu/dss.

Is English your second language? If English isn’t your first language and you’re worried about it, consider reaching out to the ACCEL College and Career Readiness program. They offer free English Language Learning instruction for all levels. Contact them at accel@wnc.edu or (775) 445-4452.

Step 1 – Make Sure You Qualify

Make sure you're good to go before filling out the application! Here's what we think about when we review your application:

- *Your driving record.* We look at your driving history to see if it's okay. Having a small issue, like a speeding ticket a while back, is usually fine. But recent big problems, like a DUI, might be an issue. If you're not sure, just ask us!
- *Can you drive safely?* You need a doctor to say you're physically fit for truck driving. That means good eyesight, hearing and a few other things. Don't worry, we have doctors to help, so ask if you're unsure!
- *No to drugs.* You can't have drugs in your system, including THC, 30 days before the program starts.
- *Ready for a job?* We want you to get a job after you finish. If you have a tricky background or need special insurance, let us know. We'll figure it out together!
- *Be there for classes.* You've got to come to all the classes. If you miss a class, you might miss important stuff. We can work on a plan to catch up, but it's better to be there!
- *Age.* If you're under 21, you can drive only in Nevada. If you're under 25, you can only drive trucks less than 70 feet long. That's OK, but it might limit your job options.

Ask us anything! If you're unsure about anything, call us at (775) 445-4210 or email us at conted@wnc.edu. We're here to help!

Step 2 – Make Sure the Program is Right for You

Making sure this program is right for you is a big deal. Here's what you're agreeing to if you choose us for your CDL training:

- **Work Hard from Day 1.** We start fast; no waiting. You'll be tested at the end of week 3, and if you're not doing well, you may be dismissed from class.
- **No Distractions.** No cell phones in class (for safety and for learning).
- **Teamwork.** Your classmates are your team. Help each other, stay positive, and have fun.
- **Be Responsible.** Even if the teacher isn't right there, you have to work. Practice, even when the teacher is with another group.
- **Listen to Your Teacher.** Our teachers are the best. Follow their instructions, even if someone else does things differently. Ask questions, but don't argue.
- **Respect the Equipment.** Take care of the trucks. They're expensive, and we need them to work well for a long time.
- **Coming Prepared.** Bring something to take notes, dress for the weather, and have your pre-trip inspection sheet with you until you know it by heart.
- **Don't Miss Class.** 5 weeks is short. Be there unless it's an emergency.
- **Get Ready to Travel.** You might have class in Fallon or Reno on some days. Be ready for a few trips.

If this doesn't sound good for you, it's okay. Not everyone is a fit. We're telling you what to expect so you don't waste time or money. If you apply, it means you're okay with these rules, and we'll treat you accordingly.

Step 3 – How to Pay for the Program

The course costs \$4,900 for a Class A or \$3,500 for a Class B. Here are the ways you can cover that cost.

It's important to remember that you can't use FAFSA funding or Pell grants for this course. WNC's Financial Aid office can't help you with funding for the course.

- **Paying Yourself** – If you can pay for it yourself, that's great! After you apply and get accepted, we'll ask you to pay the full amount. Right now, we can't set up payment plans.
- **Employer Pay** – If your employer is paying, tell them to contact Lauren Slemenda Moore at lauren.slemenda@wnc.edu for payment details. We even offer a discount for companies sending more than one student in a year.
- **Other Ways to Get Money** – If those don't work, check out the table below. There are ways to get money from the college and the community. Call these groups to see what might work for you. Each group has its own way of telling us you got money. Some call us, others give you a letter to attach to your application. Once you're approved, make sure your funder gives you proof or contacts Lauren Slemenda Moore at lauren.slemenda@wnc.edu to tell us you're approved. Remember, getting money isn't guaranteed.
 - **Important: We don't manage these scholarships or grants. If you have questions or need information, contact the people listed under "Who to Call."**

Step 4 – Get a Medical Examination Card

This card shows you can safely drive a truck. The doctor will check a few things, like:

- Do you see well (at least 20/40 vision)?
- Can you hear a whisper from 5 ft away?
- Are your blood pressure and heart beat normal?
- Can you climb in and out of a big truck?
- Can you recognize the colors of traffic signals?
- If you have diabetes, is it controlled?

You need to get your Medical Examination Card from one of these doctors:

Step 5 – Get a Class A Driver’s Permit

It’s important to know this is a CLASS A program, not Class B. So, be sure to get a CLASS A permit, not a Class B.

Here’s what you need to do:

- **Get ready.** Make sure your Nevada driver’s license is up-to-date. We suggest getting a Real ID if you haven’t already. You’ll also need extra proof of who you are (like a birth certificate or passport), proof of your social security number (usually your social security card), and proof of where you live. Call the DMV at (775) 684-4368 or visit dmv.nv.com if you have questions about these things. Bring a copy of your Medical Examination Card.
- **Fill Out Forms.** Complete an Application for Commercial Driving Privileges. (You can get it at the DMV.)
- **Study and Take Tests.** Download the DMV CDL manual from www.dmv.nv.com, read it, and take these knowledge tests at the DMV (the cost starts at \$57.25). Make an appointment at dmv.nv.gov/appointments.htm. (Most DMVs do not offer walk-in appointments, but the Reno DMV does have walk-ins available on Wednesdays only.)
 - General knowledge test (study the entire manual)
 - Airbrakes (study section 5-1 of the manual)
 - Combination vehicles (study section 6-1 of the manual)

Step 6 – Complete a Drug Screen

Remember, the results must go straight to WNC Continuing Education. Students can't send them in.

Here's what to do:

1. If you already do drug testing at work: A letter from your boss (or HR department), on their letterhead, saying you follow their drug testing policy works instead of doing a drug screen.
 - a. Fallon: If you do not already do drug testing at work or you're unemployed, call Nevada Drug and Alcohol Testing at (775) 294-6235. Dan will schedule a time for you to come in to complete your screen.
 - b. Carson: Your drug screen will be done at the same time as your DOT physical, so no extra steps are needed.

If a program like ROADS is paying, talk to your contact there. They might want you to pay upfront and show a receipt for reimbursement.

Tell your provider to send results to Lauren Slemenda Moore at Western Nevada College.

Step 7 – Get Your 10 Year Driving Record

You can get your 10 year driving record online from the DMV here:

<https://dmv.nv.gov/dlhistory.htm>

You can also request a copy while you are at the DMV getting your Class A Permit.

Step 8 – Turn In Your Materials

Please make sure your application is complete before sending it. We need all the items listed below together. If you're missing something, get it before sending your application.

Complete the attached application and include everything from the checklist below. E-mail it to conted@wnc.edu or mail it to:

Lauren Slemenda
Continuing Education
Western Nevada College
2201 W College Pkwy
Carson City, NV 89701

You can also drop it off at the front desk on our Carson City campus (in the Bristlecone Building) or our Fallon campus (in Virgil Getto Hall). They can make copies of the items listed below if you don't have access to a copier or scanner.

- ☐ Copy of your Class A Driver's Permit
- ☐ Copy of your regular driver's license (This may be the same thing as your permit, but if you are submitting a copy of your temporary Class A license – the full size sheet of paper – we also need a copy of your regular driver's license.)
- ☐ Copy of your 10-year driving record from the DMV
- ☐ Copy of your DOT Medical Examination Card
- ☐ Drug screen results, sent directly to WNC Continuing Education
- ☐ Funding letter or documentation, if applicable

Commercial Driver Training Program Application

Remember, your application is not complete unless it includes all of the items listed on the page before this – a copy of your permit, your 10-year driving history, a copy of your medical exam card, and some form of payment or promise of payment letter.

Why do you want to get a CDL? *The way you answer this question won't affect whether you are admitted to the program or not, but it's a question we think it's important for you to answer for yourself. Think beyond "My employer is making me" or "I want to make more money." Those are valid reasons, but you could always find another job and there are plenty of ways to make more money. Really take some time to think about how your life will be different with a CDL and why that's worth working for. Why this program and this career?*

Verification of Application Information and Consent for Release of Information

I certify that all information provided herein is complete and accurate to the best of my knowledge. I further agree that, if accepted to the WNC Commercial Driver Training Program, I will be subject to the Nevada System of Higher Education's Student Code of Conduct, available online, and that engaging in prohibited conduct may result in immediate dismissal from class without a refund. Finally, I acknowledge that once my program period is over, there is no guarantee of continued instruction. I understand that while the program will generally continue to work with motivated students to ensure they have the opportunity to obtain their license and re-test if necessary, this is a courtesy, not a guarantee.

Further, I understand that for safety reasons, cell phone usage is prohibited on the skills lot and in the truck. Students will be permitted to step off the lot to take a call in the event of an emergency, but will otherwise be asked to keep cell phones put away during class. If a student repeatedly violates this policy, they may be dismissed from class.

I also agree to the following class policies:

- For the safety of students, instructors and the traveling public, all students must make acceptable progress throughout the course and will be dismissed from the course if they fail to demonstrate such progress. At the end of week 3 of the course, all students must be able to pass a pre-trip inspection, light test, air brake test, straight back and offset back to DMV standards. If students fail to perform these skills at a passing level, they will be dismissed from class with no refund.
- Students must actively participate in all aspects of class. If the instructor is speaking to the class, students must remain within earshot. During practice time, students should be actively practicing or helping another student practice. Students may not return to their cars during class time, except for during breaks.
- Students should not be argumentative or combative with the instructor. Instructors closely follow a curriculum that is designed to prepare students to pass the Nevada DMV's exam. This exam may be different than the exam in other states, or common practice in the student's workplace. In order to be successful, students need to follow the outlined curriculum as taught by instructors and should not argue with instructors about the validity of the curriculum.
- Students must respect program equipment and treat it as if it is their own vehicle. Students should operate the vehicle in a safe, controlled and courteous manner. If students put the equipment at risk of unnecessary damage, they will be removed from the equipment for up to a day. Continued equipment abuse may result in dismissal from class.
- Students must arrive to class prepared. This includes bringing their copy of the pre-trip inspection until it is fully memorized, as well as a pen and paper for notes.
- Students will not be "rolled over" into future courses if they fail to progress as

**We have limited staffing, so we may not answer the phone right away. PLEASE leave a voicemail and we will call you back within 1 business day!*

expected. If a student needs to take the course a second time, they must apply and pay tuition again.

- Class attendance is expected except in the case of emergencies.
- Students should never attend class or operate equipment while under the influence of alcohol or drugs. If an instructor reasonably suspects that a student is under the influence, the student will be asked to complete a drug screen before returning to class.
