--	--

Drug Screen: (NOT REQUIRED, may be required by specific agencies, in which case the student must comply in order to participate with that agency)

Nine panel drug screen – will obtain drug screen via your Complio account.	
--	--

- MMR not required if born before January 1957. Titers are also accepted.
- A two-step TB skin test is one test in each arm approximately 10 days apart; readings must be done 48-72 hours after the test in both cases. You may also submit two consecutive years of negative readings, no more than 52 weeks apart. PPD-TB skin tests must cover the duration of the course. TB must be updated annually or two-step will again be required.
- Titers (blood draw) are also accepted for MMR, Hep B, TB, and Varicella. If titer results in non-immune, a booster vaccine must be submitted after the titer date.
- Short-term major-medical insurance must cover the duration of the course.

Students must submit immunization, health insurance, etc. documents to Complio at <http://wnccompliance.com/> for approval no later than Week 8 of the semester. Any student who fails to comply with these requirements during the semester will be excluded from participating in the Ride Along or Clinical, both of which are essential for EMT certification. While you may still receive a grade for the class, you will not be eligible for EMT certification.

INCOMPLETE PACKETS WILL NOT BE PROCESSED
