# Keep Moving Forward

Build long-term sustainability without slowing momentum

- ✓ Enrollment Mix
- ✓ Student Experience
- ✓ Employee Success
- ✓ Institutional Viability

# Enrollment Mix

- Expand access for **adult learners**, returning students, and workforce participants, not just high school students
- Build **academic pathways** that reflect the evolving needs of our communities
- Explore **bachelor's degrees** in targeted areas to keep students local and meet regional demand

# Student Experience

- Create a **college experience** that supports students
- Start Here, Go Anywhere
- Make WNC a **destination**

# Employee Success

- Support employee well-being, professional growth, and collaboration
- Recognize that student success is made possible by engaged, supported employees working together
- Yin and Yang in the workplace

# Safety

- Build a campus environment where students, employees, and visitors feel protected and supported.
  - ✓ Emergency call system
  - ✓ Key cards
  - ✓ Fencing
  - ✓ Cameras

# Viability

# BIG Goals

- Move non-HS student population from 55% to 65% in two years
- Add two BAS degrees in next two years
- Keep fixing old stuff (bathrooms, HVAC, offices)
- Initiate plans for a new building at the Carson Campus for student life, dorms, services and more
