Action Taken	<ul style="list-style-type: none"> Information/Discussion only
Summary of Discussion	<ul style="list-style-type: none"> John Duerk is a Political Science and History Professor at the college. Professor Duerk has met with the Carson City Mayor, Lori Bagwell, on multiple occasions and the mayor has even attended his classes as a guest speaker. Mayor Bagwell has presented Professor Duerk with a Master Plan that needs revision and has last been done in 2006. <ul style="list-style-type: none"> She would like student input on the existing document about what needs to change in the Carson City community. Professor Duerk believes that this is a great opportunity to connect the college and the city. Advisor Rikalo and Professor Duerk had discussed creating and establishing a sub-committee that would be student driven. <ul style="list-style-type: none"> Mayor Bagwell would be a part of the sub-committee as well as the Board of Supervisors. Professor Duerk would work with the committee as well. Professor Duerk stated idea about hosting events to get students interested in joining the sub-committee. <ul style="list-style-type: none"> The professor does not want to give ASWN the full responsibility of running a sub-committee, however, would like their support.
Assignments/Potential Agenda Items	N/A
Comments/Information	<ul style="list-style-type: none"> Q & A's: <ul style="list-style-type: none"> Q: What is an estimated time frame for this Master Plan and to establish a sub-committee? A: Mayor Bagwell would like to start in the summer if possible. She would be able to come on to campus. If the summer does not work, then we can start in the Fall Semester. Q: What kind of events would ASWN host/plan? A: Not sure yet. Q: Would ASWN, Mayor Bagwell, and Professor Duerk want Carson City student residents only on this sub-committee? A: It would be great to have student residents from the area be part of this sub-committee, however, it will not be limited only to them. It would be even better for other students who attend the college to join the sub-committee.
