2011 Fiscal Year Self-Supporting Year Budget to Actual

Introduction

Contained in this document are NSHE fiscal year 2011 self-supporting budgets compared to the actual revenues and expenditures for each budget. Board of Regent's policy requires a comparison of the original budgeted revenues and expenditures to actual revenues and expenditures for all self supporting accounts exceeding \$25,000 of projected or actual annual expenditure activity, not including grants, contracts, plant, loan, endowment, and scholarship funds. The institution presidents have authority to transfer funds into and out of each budget subject to policy guidelines in the Board or Regents Handbook, Chapter 9.C, Section 2.4. The self-supporting budgets contained in this report are reported on a fiscal year basis and include activity from July 1, 2010 to June 30, 2011.

This report displays the data in a 'sources and uses of funds' format. This format reports the cash flow from the account's opening balance at the beginning of the reporting period to the account's ending balance. Revenue budgets are established in NSHE's financial system based on the amounts reported for the opening balance on the account plus budgeted sources of funds. Expense budgets are established based on amounts reported for all uses of funds, including planned transfers out and budgeted ending balances. An account's revenue budgets will equal its expense budgets.

The Intercollegiate Athletic budgets at UNR and UNLV, Lawler Events Center and Thomas & Mack Events Center have multiple revenue budgets that support multiple expenditure budgets. All other budgets contained in this report have a single revenue budget supporting a single expenditure budget.
