Agenda Item	<i>Executive Reports</i>
Action Taken	<i>No formal action was taken.</i>
Summary of Discussion	<p><i>Treasurer Villeda Asked for the minutes to be reviewed and revised.</i></p> <p><i>President Gurrola meet with President Burton and spoke about certain points.</i></p> <ol style="list-style-type: none"> <i>1. The dirt road will be paved</i> <i>2. The request for the dorms to be built have been sent yesterday</i> <i>3. The committee for enrollment will be</i>

	<p><i>made and soon. It will be open to the students as well.</i></p> <ol style="list-style-type: none"> <i>Talk with Darla to help with ASWN budget.</i> <i>GBC gets \$1 from student fees, while TMCC, WNC, and CSN get \$.50 from student fees. President Gurrola would like to see if we could push it up to a dollar, to support future student government.</i> <p><i>President Gurrola also asked about the new policies to be read and asked the people who have read them to give their input. The new parking policies was about having parking be charge. The question was brought up on how it will be funded when registration is lower than it was last year.</i></p> <p><i>The Parking policies is considered nonsensical due to the fact that it could cause many problem. One would be this policy would make a new department to look over the parking lots when there is already a drop in enrollment. It would also cause people to rebel and park on spots where it could cause traffic jams. Not many will approve having their classes being drop unless they pay the parking ticket. For Students that have not paid the ticket within 30 day will result in a hold on their accounts and for staff that has not paid the parking ticket within 30 day will constitute in insubordination and result in a disciplinary action.</i></p> <p><i>The vehicle usage policies is considering making the defensive driving course an actual 4 hour class. When one takes the test they obviously already have there license from the dmv in order to take the defensive driving course. If the policy does change the test to 4 hours, the likelihood of students doing the driving course is a no.</i></p>
