Summary of Discussion	<p>Vice President Lucky explains what happened at Board Regents. The board and many schools felt strongly to support DACA students. The Board of Regents spoke about WNC and about how WNC handles their DACA students and they do not want schools to discriminate those student. They want to protect those students from harassment. Three schools got together to have major studies done to create a job market for students. They want all the colleges to get in on this, which is a CTE program. Chet Burton talked suggested something but they tabled it for the next day. The next day they came up with a chart. One Regent that voted no and Eleven that voted yes. President Burton came up with an idea to save the CTE programs funding. Academic Research committee removed classes that not a lot of students were not going in and for qualifying for 15 to finish will also be done if a student is taking 12 credit a semester and can take 6 in the summer they could still qualify for the 15 to finish. Handbook revision, if a college has a catalog that is 10 years old then people can still get that degree even if it does not meet the requirements except if the catalog is past 10 years. If a student is away for institutional business and that student missed some class then the teacher cannot say that student failed a class. They want the teachers to work with the Institution and not against it because of students missing class. NSA newsletter over view was not a success because four schools did not submit it; WNC was not one of them. The resolution was submitted and a lawyer needs to review this resolution. UNR is trying to work towards eliminating volunteering services from asking for Social Security numbers from students.</p> <p>Vice President in the place from President Gurrola</p>

	<p>talked about Holiday with a Hero and have ASWN to be there at 8:30 am and wear warm clothes. The date for this event is December 21.</p> <p>President Gurrola has planned a training week for the 9th of January through the 13th. In addition, wants everyone to make room in their schedules for that date</p>
